Last year, in order to increase attendance, it was decided to offer free steaks to the attendees of the August meeting. Even though it was a good idea and the steaks were really good, it was decided that the incentive didn't really work so this year we will not be doing the steaks again.

It was announced that we will be renting a tent for head of row at GNR.

Chauncey Ayers, co-Rally Master, gave a report and noted that things were falling into place and that Rockahock has been very helpful in the process. He mentioned that when you filling in your reservation, to make sure you choose the meal you want for Friday night. There will be entertainment both Friday and Saturday nights.

Chauncey also noted a few of the vendors that will be there including Chip from Rallys R Us.

New members were introduced by their respective chapters.
