

**Tidewater TASCAs of**

**WIT CLUB**

Tidewater Tascas

Date: December 7-9, 2019

Location: Rockahock Campground, Lanexa, VA

Notes:

As always, we had a wonderful end of the year campout. Friday night and Saturday morning everyone (we had 16 coaches!) contributed a dish to share. After a brief meeting discussing next year's schedule and a few administrative things, some of us spent Saturday shopping at the outlets while others hung around the campground. Saturday night we walked to dinner in our ugly holiday attire and enjoyed some AH-MAZING Italian food at Walker's Dam Grill on the property. While there was not an "official" ugly sweater contest, I think it goes without saying that Mr. Plude was the ugliest...I mean the big winner! After dinner we enjoyed each other's company while stealing ornaments from one another during our annual ornament "white elephant" exchange and the passing out of the club gifts. As always, Lily Lach, our official (unofficial) photog, took such wonderful pictures which I have included below in case you missed them on Facebook.

Thank you to everyone for a great camping year and I look forward to seeing you all in March 2020!
